The Reporting Persons acquired the Common Stock, for a purchase price of \$44.50 per share, and an aggregate purchase price of \$126.4 million. The source of funds was cash denominated in US dollars from the working capital of TPM, S.A. de C.V.

Item 4. Purpose of Transaction

The information set forth in Item 3 of this Schedule 13D is incorporated by reference in its entirety into this Item 4.

Based on the 24,644,386 issued and outstanding share capital of the Issuer reported as outstanding as of October 31, 2025, in the Issuer's Form 10-Q filed with the Securities and Exchange Commission on November 7, 2026, the Reporting Persons beneficially own an aggregate of 2,840,449 Common Stock, representing 11.5% of the outstanding Common Stock of the Issuer.

The Reporting Persons acquired these interests in connection with the intention to enter into certain joint business arrangements to be led by the respective management teams of the parties, and may from time to time increase (through the acquisition of additional securities of the Issuer) or decrease (through the sale of all or a portion of the Common Stock) their investment in the Issuer, depending upon multiple factors, including the price and availability of the Issuer's securities, subsequent developments affecting the Issuer, the Issuer's business and prospects, other investment and business opportunities available to the Reporting Persons, general stock market and economic conditions, conditions in the industries and jurisdictions in which the Issuer and its subsidiaries operate, tax considerations and other factors.

On February 4, 2026, the Issuer entered into a Securities Purchase Agreement (as amended by Amendment No. 1 dated February 5, 2026, the "Purchase Agreement") with TPM, S.A. de C.V., ("TPM"), a controlled subsidiary of Tether Global Investments Fund, S.I.C. A.F., S.A. Pursuant to the Purchase Agreement, TPM has agreed to purchase an aggregate of 3,370,787 shares of the Company's common stock at a price of \$44.50 per share, to be settled in two tranches in connection with a \$150 million private placement of equity securities (the "PIPE Financing"). This price represents an 11.9% discount to the 10-day volume weighted average price of the Common Shares on the NYSE as of market close on February 4, 2026. The first tranche of the shares was closed on February 6, 2026, corresponding to 2,840,449 shares for an aggregate purchase price of \$126.4 million. The second tranche of 530,337 shares will be acquired for an aggregate purchase price of \$23.6 million following expiration or early termination the waiting period under the Hart-Scott-Rodino Act of 1976. The Purchase Agreement provides that the Company will use \$20 million of the proceeds of the sale of the shares to acquire XAUT, a gold-backed stablecoin sponsored by an affiliate of TPM. The Purchase Agreement also provides that the parties have agreed to use their reasonable commercial efforts in good faith to negotiate and execute certain additional agreements relating to gold lending, gold storage and certain other related commercial arrangements, provided that these agreements must be mutually acceptable to the parties in their reasonable commercial discretion.

In connection with the PIPE Financing, the Issuer and TPM entered into an Investor Rights Agreement (the "IRA"). The IRA provides that, for so long as TPM holds at least 5% of the Issuer's outstanding shares, it will have the right to nominate members of the Issuer's board of directors in proportion to its holdings, rounded down to the nearest whole board seat, but not less than one board member. Accordingly, TPM is entitled currently and intends to nominate one director to the board, and upon receiving notice of nomination, the Issuer is obligated, as soon as practicable thereafter, to take all necessary corporate action to cause TPM's nominee to be appointed to the board. The IRA also provides TPM with customary rights to have its shares acquired pursuant to the Purchase Agreement to be registered under the Security Act of 1933, including certain customary demand and piggyback registration rights.

The Reporting Persons intend to review the Reporting Persons' investments in the Issuer from time to time and, in the course of such review, the Reporting Persons may take any of the foregoing actions with respect to their investment in the Issuer, or make other decisions or take other actions with respect to the Issuer. These decisions and actions may include communicating from time to time with the Board, members of management of the Issuer, other stockholders of the Issuer or other third parties with respect to the evaluation or implementation of strategic alternatives relating to the Issuer, engaging legal, financial, regulatory, technical, industry and/or other advisors to assist in any review or in making recommendations with respect to such decisions or actions, and taking steps to implement alternative courses of action relating to the Issuer, including courses of action that may be recommended by such advisors. Such courses of action may involve, without limitation, the proposal of or support for extraordinary corporate transactions (including an acquisition, merger, reorganization or other similar transaction or liquidation) involving the Issuer or any of its subsidiaries, including a public offer for all or part of the Issuer's securities, a business combination involving the Issuer or any of its subsidiaries, a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; changes in the present business, operations, strategy, future plans or prospects of the Issuer, financial or governance matters, changes to the Board (including board composition) or management of the Issuer, changes to the capitalization, ownership structure, dividend policy, business or corporate structure or governance documents of the Issuer, or any action similar to those enumerated above. Such discussions and actions may be preliminary and exploratory in nature, and not rise to the level of a plan or proposal.

Other than as described above, the Reporting Persons do not currently have any plans or proposals that relate to, or may result in, any of the matters listed in subparagraphs (a) through (j) of Item 4 of Schedule 13D. However, as part of their ongoing evaluation of this investment and investment alternatives, the Reporting Persons may consider such matters and, subject to applicable law, may formulate a plan or proposal with respect to such matters, and, from time to time, may hold discussions with or make formal proposals to the Board, members of management of the Issuer, other stockholders of the Issuer or other third parties regarding such matters.

In October 2021, the U.S. Commodity Futures Trading Commission (CFTC) instituted and settled regulatory proceedings against Tether Global Investments Fund, S.I.C.A.F., S.A., Tether Limited, Tether Operations Limited, and Tether International Limited (collectively, “Tether”) by way of an order accepting Tether’s payment of a civil monetary penalty of \$41 million without admitting or denying any of the CFTC’s findings or conclusions. The order settled CFTC allegations that, from June 2016 to February 2019, Tether made untrue or misleading statements and omissions of material fact or omitted to state material facts necessary to make statements made not true or misleading in connection with, among other things, whether USDT was fully backed by U.S. Dollars held in bank accounts in Tether’s name.

In February 2021, the Office of the Attorney General of the State of New York (NYAG) entered into an agreement with Tether and several Bitfinex (a group of companies with which Tether is affiliated) companies to settle a 2019 proceeding brought by NYAG seeking an injunction related to, among other things, the transfer of certain funds by and among Bitfinex and Tether. Without admitting or denying NYAG’s findings, Bitfinex and Tether agreed to settle the NYAG proceeding by paying \$18.5 million in penalties to the State of New York. The agreement further required Bitfinex and Tether to discontinue any trading activity with New York persons or entities and to submit to mandatory reporting on certain business functions.
